Educational Excellence The Solution To College Acceptance

AS THE COLLEGE ADMISSION

process becomes increasingly competitive, students seeking successful strategies tailored to their specific needs choose to work with Nancy Polin, founder of Educational Excellence. Nancy, a certified teacher and guidance counselor, holds a Bachelor's Degree in Education and a Master's Degree in Clinical Psychology. She brings to her students a unique and highly successful approach to college counseling which embodies 30 years of experience in college planning, classroom teaching

achieve college-planning goals and acceptance to their college of choice. She also has a proven tutoring record for helping students make significant gains on the PSAT, SAT and ACT tests and academic coursework.

Educational Excellence specializes in College Planning and Counseling for High School Students, Students Applying to Graduate School, International Students, U.S. Students Applying to Colleges Abroad and Students with Learning Disabilities and Attention-Deficit Disorder.

NANCY POLIN

Nancy's expertise in every aspect of the college admissions process enables her students to achieve college planning goals and acceptance to their college of choice.

and educational administration. A customized action plan is created for each student coupled with support to alleviate any anxieties throughout the entire college planning process.

Nancy's expertise in every aspect of the college admissions process enables her students to

In addition to recommending "Best Fit" Colleges, Nancy provides consultation and direct assistance for college and scholarship applications, essays, resumes, financial aid, selection of high school curriculum and college interviews, as well as extra-curricular, community service and summer activities.

Whether a student's goal is to attend a Florida public institution, Ivy League College, or any other well-respected university—Nancy's long-standing connections with admissions officers facilitate exceptional results in meeting students' goals.

Her personalized college tours

in Florida and throughout the U.S. for small student groups and families are also quite popular. Nancy's tours include meetings with admission officers and career presentations by college professors.

Says parent Jonathan Mendel, "Nancy's college tour was exceptional. She also ensured that my son's applications were reviewed and submitted on time. Her SAT tutoring resulted in his 50 point score increase within a very short time. Working with Nancy was a thoroughly worthwhile experience."
